O man, why are thou lured  
By mammon (Maya) so much that  
thou has forgotten thy real goal -  
to rise above the circle of ever  
coming and going, births and deaths?  
This is the life as a boon given  
thee for a righteous, virtuous living  
and devotion to Him into whom  
thou has to merge, as  
a raindrop into the ocean.  
So, O man, get rid of clutches  
of Maya, give up thy egotism  
and leave a life after pleasures of  
the senses. Sin, as a beauty  
beguiles thee from virtuous living.  
A saint pure, the true Guru takes  
Thou to the ladder that leads to  
The Benevolent Lord.  
So, O man! Be the dust of the saintly, who  
reveals the ultimate truth.
