Thou, thou art is a wonder  
Thou, thou art Almighty Master  
primed of past, present and future.  
Besides the Creator, trust none other. 1.

Thou, thou art infinite giver in every sphere.  
Thou, thou art perfect master.  
Carry the grandeur of a governor.  
And is the self Primal Creator. 2.

Thou, thou art self-illuminated.  
Thou, thou art destroyer of depraved.  
No features, no complexion, no line of fate.  
Supreme master from heaven to hades. 3.

Thou, thou art present in every mind  
Thou, thou art compassionate and kind.  
Cultivating peace and contentment of mind  
The good and bad of every kind. 4.

Thou, thou art the preserver.  
Thou, thou art the sovereign ruler  
who commands land and water;  
I greet first my Absolute Master. 5.
