Do you want to live a miracle?

Call on Guru Ram Das

Do you want to know a miracle?

Visit his home

The crown of the earth, where the spirit of the unknown

Manifests each moment barring time and space alone.

Even the birds sing for joy at that place

With each word of Gurbani they soar into space

A glorious example for all there to see

How the Guru's words can set you free

Do you want to live a miracle?

Call on Guru Ram Das

Do you want to know a miracle?

Visit His home.

A temple of gold beyond time and space.

All who are there experience God's Grace.

Walk on the *Parkarma*, tip-toe on each stone

Reliving the history Harimandir Sahib has known.

From Baba Deep Singh to Siri Chand too.

The prayers of the faithful will always come true.

It's not the marble, it's not the gold

The crystal or the history in awe we behold.

It's the Guru's court alive and vibrating

Creating miracles for the taking.

Do you want to live a miracle?

Call on Guru Ram Das

Do you want to know a miracle?

Visit his home

The crown of the earth where the spirit of the unknown

Manifests each moment barring time and space alone.

In Amritsar the Guru holds court.

Where the miracles of God are ever to be taught

And as a thought can take you there.

All you need is faith and a prayer.  
Guru Guru Wahe Guru, Guru Ram Das Guru
