Maybe you don't know,
I am here all this time.
That I go where you go,
Forever and farther.
I am the Light,
I am the Awareness.
I see you, you can't see me,
Because I am the Knower,
Observer and Witness.
I am there among everything,
Also when no one else is around.
From the very beginning, The Oldest,
There is none like me,
Above destiny and action,
The invisible Spirit.
So distant yet so close,
I am not out there.
Close your eyes,
Meditate on NAAM
See I am here.
Well, now you know it.
I am above any designated places,
Any one can reach me,
Most Adorable.....**NAAM.**
Lord, let your presence surround me,
Let your wisdom guide me,
Let your strength uphold me,
Let your inspiration uplift me,
Let your joy of healing fill me.
